1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We have been customers of Carolina Water Service for years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

When we first moved to the Lake Wylie area (close to ten years ago), we were appalled by our water bill amounts -- we've lived in numerous cities in three states and have never seen water rates this high. The current costs are already some of the highest in the Carolinas -- same with the cost for installing a water meter for irrigation. How can this company even remotely provide a case for needing to raise prices? Enough is enough!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)
